# Financial Statements of United Commercial Bank Limited

As at and for the year ended 31 December 2021

## ম্যাবস এন্ড জে পার্টনার্স MABS & J Partners

**Chartered Accountants** 

# **Independent Auditor's Report**

To the Shareholders of United Commercial Bank Limited
Report on the Audit of the Consolidated and Separate Financial Statements

### **Opinion**

We have audited the consolidated Financial Statements of United Commercial Bank Limited, and its subsidiaries ("the Group") as well as the Separate Financial Statements of United Commercial Bank Limited ("the Bank"), which comprise the Consolidated and the Separate Balance Sheet as at 31 December 2021 and the Consolidated and Separate Profit & Loss Accounts, consolidated and separate Statements of Changes in Equity and Consolidated and Separate Cash Flow Statements for the year then ended, and notes to the Consolidated and Separate Financial Statements, including a summary of significant accounting policies.

In our opinion, the accompanying consolidated Financial Statements of the Group and Separate Financial Statements of the Bank give a true and fair view of the Consolidated Balance Sheet of the Group and the Separate Balance Sheet of the Bank as at 31 December 2021, and of its Consolidated and Separate Profit and Loss Accounts and its Consolidated and Separate Cash Flows for the year then ended in accordance with International Financial Reporting Standards (IFRSs), as explained in note # 02.

### Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Consolidated and Separate Financial Statements section of our report. We are independent of the Group and the Bank in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants (IESBA Code), Bangladesh Securities and Exchange Commission (BSEC) and Bangladesh Bank, and we have fulfilled our other ethical responsibilities in accordance with the IESBA Code and the Institute of Chartered Accountants of Bangladesh (ICAB) Bye Laws. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### **Key Audit Matters**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Consolidated and Separate Financial Statements of the current period. These matters were addressed in the context of our audit of the Consolidated and Separate Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Chartered Accountants

### 1. Measurement of provision for loans and advances;

See notes no 2.10.9, 2.10.22, 7.11, 12.1 and 35 to the Financial Statements.

### **Key Audit Matter**

The process for estimating the provision for loans and advances portfolio associated with credit risk is significant and complex. For the individual analysis, these provisions consider: -

- Estimates of future business performance of the borrower;
- Market value of collateral provided by borrower for credit transactions;
- Ability to reprocess the collateral;
- Recovery rate; and

For the collective analysis, these provisions are manually processed that deals voluminous databases extracted from IT system of the Bank. assumptions calculations for the provision estimates of complex design and implementation and following instructions of Bangladesh Bank (Central Bank of Bangladesh) from time to time.

Due to high level judgment involved and using some manual process in estimating provision for loan & advances, we considered this to be a key matter.

At year end, the Group and Bank reported total gross loans and advances of BDT 408,309.81 million (2020: BDT 356,065.73 million) and BDT 402,481.73 Million (2020: BDT 351,683.55 million) respectively and provision for loans and advances of BDT 16,584.38 million (2020: BDT 12,645.89 million) and BDT 16,584.38 million (2020: BDT 12,645.89 million) respectively.

# How the matter was addressed in our audit

We tested the design and operating effectiveness of key controls focusing on the following:

- Tested the credit appraisal, loan disbursement procedures, monitoring and provisioning process;
- Identification of loss events, including early warning and default warning indicators;
- Reviewed quarterly Classification of Loans (CL);

Our substantive procedures in relation to the provision for loans and advances portfolio comprised the following:

- Reviewed the adequacy of the companies general specific and special provisions;
- Assessed the methodologies on which the provision amounts based, recalculated the provisions and tested the completeness and accuracy of the underlying information;
- Finally assessed the appropriateness and presentation of disclosures against relevant accounting standards and Bangladesh Bank guidelines.

**Chartered Accountants** 

### Recognition of interest income from loans and advances;

See notes no 2.1.1(v), 2.10.09, 2.10.22, 2.10.38, and 20 to the financial statements.

### **Key Audit Matter**

# How the matter was addressed in our audit

Recognition of interest income has significant and wide influence on Financial Statements;

Recognition and measurement of interest income has followed circulars of Bangladesh Bank and also involvement of complex IT environment.

We identify recognition of interest income from loan and advances as a key audit matter because this is one of the key performance indicators of the bank and therefore there is an inherent risk of fraud and error in recognition of interest income by managements to meet specific target and expectations.

We tested the design and operating effectiveness of key controls over recognition and measurement of interest on loan and advances:

•We performed test of operating effectiveness on automated control in place to measure and recognize interest income;

•We have also performed substantive procedure to check whether the interest income is recognized completely and accurately;

 Finally assessed the appropriateness and presentation of disclosures against relevant accounting standards and Bangladesh Bank guidelines.

### 3. Valuation of Treasury bill, Treasury bond and unquoted share;

See notes no 2.10.7 and 6.3 to the Financial Statements

### **Key Audit Matter**

# How the matter was addressed in our audit

The classification and measurement of T-Bill, T-Bond and unquoted shares require judgment and complex estimates. In the absence of a quoted price in an active market, the fair value of T-Bills, T Bonds and unquoted shares is determined using complex valuation techniques which may take into consideration direct or indirect unobservable market data and complex pricing models which require an elevated level of judgment.

We assessed the processes and controls put in place by the Group and the Bank to identify, classify and measurement of treasury bill & treasury bond.

We obtained an understanding, evaluated the design and tested the operating effectiveness of the key controls over the financial instrument valuation processes, including controls over market data inputs into valuation models, model governance, and valuation adjustments.

We tested a sample of the valuation models and the inputs used in those models, using a variety of techniques, including comparing inputs to available market data.

Finally, we have assessed the appropriateness and presentation of disclosures against relevant accounting standards and Bangladesh Bank guidelines.

**Chartered Accountants** 

### 4. Measurement of deferred tax assets

See notes no 2.10.29 (ii), and 9.4 to the Financial Statements.

### **Key Audit Matter**

The Group and the Bank reports net deferred tax assets to totaling BDT 4,226.10 million (BDT 2,836.15 million as at 31 December 2020) and BDT 4,228.86 million as at 31 December 2021 (BDT 2,838.11 million as at 31 December 2020) respectively.

Significant judgment is required in relation to deferred tax assets as their recoverability is dependent on forecasts of future profitability over a number of years.

# How the matter was addressed in our audit

We obtained an understanding, evaluated the design and tested the operational effectiveness of the Group's key controls over the recognition and measurement of DTAs and the assumptions used in estimating the Group's future taxable income.

We also assessed the completeness and accuracy of the data used for the estimations of future taxable income.

We involved our own tax specialists to assess tax strategies that the bank expects successful recovery of recognized deferred tax assets.

Finally, We have assessed the appropriateness and presentation of disclosures against IAS 12 Income Tax.

### 5. Legal and regulatory matters

See notes no 2.1.1 to the Financial Statements

### **Key Audit Matter**

We focused on this area because the Bank and its subsidiaries (the "Group") operate in a legal and regulatory environment that is exposed to significant litigation and similar risks arising from disputes and regulatory proceedings. Such matters are subject to many uncertainties and the outcome may be difficult to predict.

These uncertainties inherently affect the amount and timing of potential outflows with respect to the provisions which have been established and other contingent liabilities.

Overall, the legal provision represents the Group's best estimate for existing legal matters that have a probable and estimable impact on the Group's financial position.

### How the matter was addressed in our audit

We obtained an understanding, evaluated the design and tested the operational effectiveness of the Group's key controls over the legal provision and contingencies process. We enquired to those charged with governance to obtain their view on the status of all significant litigation and regulatory matters. We enquired of the Group's internal legal counsel for all significant litigation and regulatory matters and inspected internal notes and reports. We assessed the methodologies on which the provision amounts are based, recalculated the provisions, and tested the completeness and accuracy of the underlying information. We also assessed the Group's provisions and contingent liabilities disclosure.

Chartered Accountants

### 6. IT systems and controls

See notes no 2.10.54.6 to the Financial Statements

### **Key Audit Matter**

Our audit procedures have a focus on IT systems and controls due to the pervasive nature and complexity of the IT environment, the large volume of transactions processed in numerous locations daily and the reliance on automated and IT dependent manual controls.

Our areas of audit focus included user access management, developer access to the production environment and changes to the IT environment. These are key to ensuring IT dependent and application based controls are operating effectively.

# How the matter was addressed in our audit

We tested the design and operating effectiveness of the Group's IT access controls over the information systems that are critical to financial reporting. We tested IT general controls (logical access, changes management and aspects of IT operational controls). This included testing that requests for access to systems were appropriately reviewed and authorized. We tested the Group's periodic review of access rights. We inspected requests of changes to systems for appropriate approval and authorization. We considered the control environment relating to various interfaces, configuration and other application layer controls identified as key to our audit.

Where deficiencies were identified, we tested compensating controls or performed alternate procedures. In addition, we understood where relevant, changes were made to the IT landscape during the audit period and tested those changes that had a significant impact on financial reporting.

**Chartered Accountants** 

### 7. Carrying value of investments in subsidiaries by the Bank

See notes no1.6, 1.6.1, 1.6.2, 1.6.3, 1.6.4, 1.6.5, 2.10.18 and 9 to the Financial Statements

### **Key Audit Matter**

The Bank has invested in equity shares of its subsidiary namely UCB Stock Brokerage Limited, UCB Investment Limited, UCB Asset Management Limited and UCB Fintech Company Limited. As at 31 December 2021 the carrying value of this investment is BDT 5,499.99 million.

The Bank is required to conduct impairment test of investment in subsidiary when indication exist. The impairment testing is considered to be a key audit matter due to complexity and judgments required in determining assumptions used to estimate recoverable amount which is higher of fair value less cost of sales and value in use.

Management has not conducted impairment assessment of its subsidiaries namely UCB Stock Brokerage Limited, UCB Investment Limited, UCB Asset Management Limited and UCB Fintech Company Limited in accordance with IAS 36 as there is no impairment indication for investment in subsidiaries, as considered by the management.

# How the matter was addressed in our audit

We have reviewed Management's analysis of impairment assessment and recoverable value calculation of subsidiaries in accordance with IAS 36.

In particular, our discussions with the Management were focused on the continued appropriateness of the value in use model, the key assumptions used in the model, the reasonably possible alternative assumptions, particularly where they had the most impact on the value in use calculation.

### Other matter

The Consolidated Financial Statements of the group and also Separate Financial Statements of the Bank as at and for the year ended 31 December 2020 were audited by us and expressed an unmodified opinion on those statements on 08 June 2021.

### Other Information

Management is responsible for the other information. The other information comprises all of the information in the Annual Report other than the consolidated and separate Financial Statements and our auditors' report thereon. The Annual Report is expected to be made available to us after the date of this auditor's report.

Our opinion on the consolidated and separate Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

**Chartered Accountants** 

In connection with our audit of the Financial Statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the Financial Statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

When we read the annual report, if we conclude that there is a material misstatement therein, we are required to communicate the matter with those charged with governance.

# Responsibilities of Management and Those Charged with Governance for the Consolidated and Separate Financial Statements and Internal Controls

Management is responsible for the preparation and fair presentation of the Consolidated Financial Statements of the Group and also Separate Financial Statements of the Bank in accordance with IFRSs as explained in note # 02, and for such internal control as management determines is necessary to enable the preparation of Consolidated and Separate Financial statements that are free from material misstatement, whether due to fraud or error. The Bank Company Act, 1991 and the Bangladesh Bank Regulations require the Management to ensure effective internal audit, internal control and risk management functions of the Bank. The Management is also required to make a self-assessment on the effectiveness of anti-fraud internal controls and report to Bangladesh Bank on instances of fraud and forgeries.

In preparing the Consolidated and Separate Financial Statements, management is responsible for assessing the Group's and the Bank's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group and the Bank or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Group's and the Bank's financial reporting process.

# Auditor's Responsibilities for the Audit of the Consolidated and Separate Financial Statements

Our objectives are to obtain reasonable assurance about whether the Consolidated and Separate Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Consolidated and Separate Financial Statements.

**Chartered Accountants** 

As part of an audit in accordance with ISAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Consolidated and Separate Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's and the Bank's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Consolidated and Separate Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group and the Bank to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Consolidated and Separate Financial Statements, including the disclosures, and whether the Consolidated and Separate Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the Consolidated Financial Statements. We are responsible for the direction, supervision and performance of the group audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Chartered Accountants

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Consolidated and Separate Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

### Report on other Legal and Regulatory Requirements

In accordance with the Companies Act, 1994, the Securities and Exchange Rules 1987, the Bank Company Act, 1991 as amended up to date and the rules and regulations issued by Bangladesh Bank, we also report that:

- We have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit and made due verification thereof;
- II. to the extent noted during the course of our audit work performed on the basis stated under the Auditor's Responsibility section in forming the above opinion on the Consolidated Financial Statements of the Group and the Separate Financial Statements of the Bank and considering the reports of the Management to Bangladesh Bank on antifraud internal controls and instances of fraud and forgeries as stated under the Management's Responsibility for the Financial Statements and internal control:
  - a. internal audit, internal control and risk management arrangements of the Group as disclosed in the Financial Statements appeared to be materially adequate;
  - b. nothing has come to our attention regarding material instances of forgery or irregularity or administrative error and exception or anything detrimental committed by employees of the Group and its related entities;
- III. Financial Statements for the year ended 31 December 2021 of four subsidiaries namely, UCB Stock Brokerage Limited, UCB Investment Limited, UCB Asset Management Limited and UCB Fintech Company Limited have been audited by us and have been properly reflected in the consolidated Financial Statements;
- IV. in our opinion, proper books of accounts as required by law have been kept by the Group and the Bank so far as it appeared from our examination of those books;
- V. the records and statements submitted by the branches have been properly maintained and consolidated in the Financial Statements;
- VI. the Consolidated Balance Sheet and Consolidated Profit and Loss account together with the annexed notes dealt with by the report are in agreement with the books of account and returns;
- VII. the expenditures incurred were for the purpose of the Bank's business for the year;
- VIII. the Consolidated Financial Statements of the Group and the Separate Financial Statements of the Bank have been drawn up in conformity with prevailing rules, regulations and accounting standards as well as related guidance issued by Bangladesh Bank;

**Chartered Accountants** 

- IX. adequate provisions have been made for advance and other assets which are in our opinion, doubtful of recovery;
- X. the information and explanations required by us have been received and found satisfactory;
- XI. we have reviewed over 80% of the risk weighted assets of the Bank and spent over 6350 person hours; and
- XII. Capital to Risk-weighted Asset Ratio (CRAR) as required by Bangladesh Bank has been maintained adequately during the year.

# 2. Summary of significant accounting policies and basis of preparation of the financial statements

### 2.1 Basis of preparation

The separate financial statements of the bank as at and for the year ended 31 December 2021 comprise those of Domestic Banking (Main Operations) and Offshore Banking Unit (OBU), and the consolidated financial statements of the group as at and for the year ended 31 December 2021 comprise those of 'the Bank' (parent company) and its subsidiaries.

### 2.1.1 Statement of Compliance

The Financial Reporting Act 2015 (FRA) was enacted in 2015. Under the FRA, the Financial Reporting Council (FRC) was formed in 2017 and adopted International Accounting Standards (IASs) and International Financial Reporting Standards (IFRSs) as the applicable Financial Reporting Standards for public interest entities such as banks. Consequently, the consolidated and separate financial statements of the Group and the Bank respectively have been prepared in accordance with International Financial Reporting Standards (IFRSs) as adopted by FRC and in addition to this the

Bank complied with the requirements of following laws and regulations from various Government bodies:

- The Bank Company Act, 1991 and amendment thereon;
- The Companies Act, 1994 and amendment thereon;
- Circulars, Rules and Regulations issued by Bangladesh Bank (BB) time to time;
- Bangladesh Securities and Exchange Rules 1987, Bangladesh Securities and Exchange ordinance 1969, Bangladesh Securities and Exchange Act 1993, Bangladesh Securities and Exchange Commission (Public Issue) Rules 2015;
- The Income Tax ordinance, 1984 and amendment thereon;
- The Value Added Tax and Supplementary Duty Act, 2012 and amendment thereon;
- Dhaka Stock Exchange Limited (DSE), Chittagong Stock Exchange limited (CSE) and Central
   Depository Bangladesh Limited (CDBL) rules and regulations; and
- Financial Reporting Act, 2015.

In case of any requirement of the Bank Company Act 1991, and provisions and circulars issued by Bangladesh Bank (BB) differing with those of IFRSs, the requirements of the Bank Company Act 1991, and provisions and circulars issued by BB shall prevail. Material departures from the requirements of IFRS are as follows:

### i. Presentation of financial statements

IFRS: As per IAS 1, a complete set of financial statements comprises a statement of financial position, a statement of profit or loss and other comprehensive income, a statement of changes in equity, a statement of cash flows, notes comprising a summary of significant accounting policies and other explanatory information and comparative information. IAS 1 has also stated the entity to disclose assets and liabilities under current and noncurrent classification separately in its statement of financial position.

Bangladesh Bank: A format of financial statements (i.e. balance sheet, profit and loss account, cash flows statement, changes in equity, liquidity statement) is prescribed in the "First Schedule" of section 38 of the Bank Company Act 1991 (and amendment thereon) and BRPD Circular no. 14 dated 25 June 2003 of Bangladesh Bank. Assets and liabilities are not classified under current and non-current heading in the prescribed format of financial statements.

### ii. Investment in shares and securities

IFRS: As per requirements of IFRS 9, classification and measurement of investment in shares and securities will depend on how these are managed (the entity's business model) along with their contractual cash flow characteristics. Based on these factors it would generally fall either under 'at fair value through profit or loss account" or under 'at fair value through other comprehensive income' where any change in the fair value (as measured in accordance with IFRS 13) at the yearend is taken to profit and loss account or other comprehensive income respectively.

Bangladesh Bank: As per Banking Regulation and Policy Department (BRPD) circular no. 14 dated 25 June 2003, investments in quoted shares and unquoted shares are revalued at the year end at market price and as per book value of last audited balance sheet respectively. Provision should be made for any loss arising from diminution in value of investment; otherwise investments are recognised at cost.

### iii. Revaluation gain/loss on Government securities

IFRS: As per requirement of IFRS 9 where securities will fall under the category of fair value through profit or loss account, any change in the fair value of assets is recognised through the profit and loss account. Securities designated as amortised cost are measured at effective interest rate method and interest income is recognised through the profit and loss account.

Bangladesh Bank: HFT securities are revalued on the basis of mark to market and at the year end, any gains on revaluation of securities which have not matured as at the balance sheet date are recognised in other reserves as a part of equity and any losses on revaluation of securities which have not matured as at the balance sheet date are charged in the profit and loss account. Interest on HFT securities including amortisation of discount are recognised in the profit and loss account. HTM securities which have not matured as at the balance sheet date are amortised at the year end and gains or losses on amortisation are recognised in other reserve as a part of equity.

### iv. Provision on loans and advances

IFRS: As per IFRS 9 an entity shall recognise an impairment allowance on loans and advances based on expected credit losses. At each reporting date, an entity shall measure the impairment allowance for loans and advances at an amount equal to the lifetime expected credit losses if the credit risk on these loans and advances has increased significantly since initial recognition whether assessed on an individual or collective basis considering all reasonable information, including that which is forward-looking. For those loans and advances for which the credit risk has not increased significantly since initial recognition, at each reporting date, an entity shall measure the impairment allowance at an amount equal to 12 month expected credit losses that may result from default events on such loans and advances that are possible within 12 months after reporting date.

Bangladesh Bank: As per BRPD circular No.15 (27 September 2017), BRPD circular No.16 (18 November 2014), BRPD circular No.14 (23 September 2012), BRPD circular No. 19 (27 December 2012), BRPD circular No. 05 (29 May 2013), BRPD circular No.1 (20 February 2018) a general provision at 0.25% to 5% under different categories of unclassified loans (good/standard loans) has to be maintained regardless of objective evidence of impairment, BRPD circular No.03 (April 21 2019), BRPD Circular Letter No. 17 (September 28 2020), BRPD Circular Letter No. 56 (December 10 2020), BRPD Circular Letter No. 59 (December 30 2020), and BRPD Circular Letter No. 63 (December 31 2020). Also specific provision for sub-standard loans, doubtful loans and bad losses have to be provided at 5%, 20%, 50%, 100% respectively for loans and advances depending on time past due and additional special general provision-COVID-19 at 1%. Again as per BRPD circular no. 10 dated 18 September 2007 and BRPD circular no. 14 dated 23 September 2012, a general provision at 1% is required to be provided for all off-balance sheet exposures. Such provision policies are not specifically in line with those prescribed by IFRS 9.

### v. Recognition of interest in suspense

IFRS: Loans and advances to customers are generally classified at amortised cost as per IFRS 9 and interest income is recognised by using the effective interest rate method to the gross carrying amount over the term of the loan. Once a loan subsequently becomes credit-impaired, the entity shall apply the effective interest rate to the amortised cost of these loans and advances.

**Bangladesh Bank:** As per BRPD circular no. 14 dated 23 September 2012, BRPD circular No.03 dated April 21 2019 and BRPD Circular Letter No. 56 (December 10 2020), once a loan is classified, interest on such loans are not allowed to be recognised as income, rather the corresponding amount needs to be credited to an interest in suspense account, which is presented as liability in the balance sheet.

### vi. Other comprehensive income

**IFRS:** As per IAS 1 Other Comprehensive Income (OCI) is a component of financial statements or the elements of OCI are to be included in a single other comprehensive income statement.

Bangladesh Bank: Bangladesh Bank has issued templates for financial statements which will strictly be followed by all banks. The templates of financial statements issued by Bangladesh Bank do not include Other Comprehensive Income nor are the elements of Other Comprehensive Income allowed to include in a Single Comprehensive Income (OCI) Statement. As such the Bank does not prepare the other comprehensive income statement. However, elements of OCI, if any, are shown in the statements of changes in equity.

### vii. Financial instruments - presentation and disclosure

In several cases Bangladesh Bank guidelines categorise, recognise, measure and present financial instruments differently from those prescribed in IFRS 9. As such full disclosure and presentation requirements of IFRS 7 and IAS 32 cannot be made in the financial statements.

### viii. Repo and Reverse Repo transactions

IFRS: As per IFRS 9 when an entity sells a financial asset and simultaneously enters into an agreement to repurchase the asset (or a similar asset) at a fixed price on a future date (repo), the arrangement is treated as a loan and the underlying asset continues to be recognised at amortised cost in the entity's financial statements. The difference between selling price and repurchase price will be treated as interest expense. The same rule applies to the opposite side of the transaction (reverse repo).

Bangladesh Bank: As per DOS Circular letter no. 6 dated15 July 2010 and subsequent clarification in DOS circular no.2 dated 23 January 2013, when a bank sells a financial asset and simultaneously enters into an agreement to repurchase the asset (or a similar asset) at a fixed price on a future date (repo or stock lending), the arrangement is accounted for as normal sales transactions and the financial assets are derecognized in the seller's book and recognized in the buyer's book.

However, as per DMD circular letter no.7 dated 29 July 2012, non-primary dealer banks are eligible to participate in the Assured Liquidity Support (ALS) program, whereby such banks may enter collaterallised repo arrangements with Bangladesh Bank. Here the selling bank accounts for the arrangement as a loan, thereby continuing to recognise the asset.

### ix. Financial guarantees

IFRS: As per IFRS 9, financial guarantees are contracts that require the issuer to make specified payments to reimburse the holder for a loss it incurs because a specified debtor fails to make payment when due in accordance with the original or modified terms of a debt instrument. Financial guarantee liabilities are recognised initially at their fair value plus transaction costs that are directly attributable to the issue of the financial liabilities. The financial guarantee liability is subsequently measured at the higher of the amount of loss allowance for expected credit losses as per impairment.

requirement and the amount initially recognised less, income recognised in accordance with the principles of IFRS 15. Financial guarantees are included within other liabilities.

Bangladesh Bank: As per BRPD 14, dated 25 June 2003 financial guarantees such as letter of credit and letter of guarantee will be treated as off-balance sheet items. No liability is recognised for the guarantee except the cash margin. As per BRPD Circular No.01 dated 03 January 2018 and BRPD Circular No.14 dated 23 September 2012, the Bank is required to maintain provision at 1% against gross off-balance sheet exposures (which includes undrawn loan commitments).

### x. Cash and cash equivalent

IFRS: Cash and cash equivalent items should be reported as cash item as per IAS 7.

Bangladesh Bank: Some cash and cash equivalent items such as 'Money at Call and on Short Notice', Treasury Bills, Bangladesh Bank Bills and Prize Bond are not shown as cash and cash equivalent. Money at call and on short notice presented on the face of the balance sheet, and Treasury Bills, Prize Bonds are shown in investments.

### xi. Non-banking asset

IFRS: No indication of Non-banking asset is found in any IFRS.

Bangladesh Bank: As per BRPD circular no. 14 dated 25 June 2003, there must exist a face item named Non-banking asset.

### xii. Presentation of intangible asset

**IFRS:** Intangible assets must be identified and recognised, and the disclosure must be given as per IAS 38: Intangible Assets.

**Bangladesh Bank:** Intangible assets are shown in fixed assets, including premises and furniture and fixtures, as there is no specific regulation for intangible assets in BRPD circular no. 14, dated 25 June 2003.

### xiii. Cash flow statement

**IFRS:** Cash flow statement can be prepared either in direct method or in indirect method. The presentation is selected to present these cash flows in a manner that is most appropriate for the business or industry. The method selected is applied consistently.

**Bangladesh Bank:** As per BRPD circular no. 14 dated 25 June 2003, cash flows is the mixture of direct and indirect method.

### xiv. Balance with Bangladesh Bank: (CRR)

**IFRS:** Balance with Bangladesh Bank should be treated as other asset as it is not available for the use in day to day operations as per IAS 7.

Bangladesh Bank: Balance with Bangladesh Bank is treated as cash and cash equivalents.

### xv. Presentation of intangible asset

IFRS: An intangible asset must be identified and recognized, and the disclosure must be given as per IAS 38.

**Bangladesh Bank:** There is no requirement for regulation of intangible assets in BRPD 14 dated 25 June 2003.

### xvi. Off-balance sheet items

IFRS: There is no concept of off-balance sheet items in any IFRS; hence there is no requirement of disclosure of off-balance sheet items.

**Bangladesh Bank:** As per BRPD circular no. 14 dated 25 June 2003, off balance sheet items (e.g. Letter of credit, Letter of guarantee etc.) must be disclosed separately on the face of balance sheet.

### xvii. Disclosure of appropriation of profit

IFRS: There is no requirement to show appropriation of profit in the face of statement of comprehensive income.

Bangladesh Bank: As per BRPD circular no. 14 dated 25 June 2003, an appropriation of profit should be disclosed in the face of profit and loss account.

### xviii. Loans and advance net of provision

IFRS: Loans and advances should be presented net of provisions.

**Bangladesh Bank:** As per BRPD circular no. 14 dated 25 June 2003, provision on loans and advances are presented separately as liability and cannot be netted off against loans and advances.

### xix. Provision on undrawn loan commitments

IFRS: As per IFRS 9 bank shall recognise credit losses on undrawn loan commitments such as Letter of Credit (L/C), Letter of Guarantee (L/G) etc. as the present value of the difference between the contractual cash flow that are due by the customer if the commitment is drawn down and the cash flows that bank expects to receive.

Bangladesh Bank: As per BRPD Circular no. 07 dated 21 June 2018 and BRPD Circular no.14 dated 23 September 2012, the Bank is required to maintain provision at 1% rate against off-balance sheet exposures (which includes all types of undrawn loan commitments).

### 2.1.2 Going Concern

The accompanying financial statements have been prepared on a going concern assumption that the Bank will continue in operation for the foreseeable future. The Bank has neither any intention nor any legal or regulatory compulsion to liquidate or curtail materially the scale of any of its operations. The key financial parameters (including liquidity, profitability, asset quality, provision sufficiency and capital adequacy) of the Bank continued to show a healthy trend for couple of years. The rating outlook of the Bank as reported by all the rating agencies is "Stable". Besides, the management is not aware of any material uncertainties that may cast significant doubt upon the Bank's ability to continue as a going concern.

### 2.2 Basis of measurement

The financial statements have been prepared on the historical cost basis except for the following material items:

- Government Treasury Bills and Bonds designated as 'Held for Trading (HFT)' at present value using 'mark to market' concept with gain credited to revaluation reserve but loss charged to Profit and Loss Account.
- Government Treasury Bills and Bonds designated as 'Held to Maturity (HTM)' at present value using amortization concept.
- Land is recognized at cost at the time of acquisition and subsequently measured at fair value as per IAS-16 Property Plant & Equipment and BSEC notification SEC/CMRRCD/2009-193/150/Admin dated 18 August 2013.

### 2.3 Basis of consolidation

The consolidated financial statements include the financial statements of United Commercial Bank Limited and its subsidiaries 'UCB Stock Brokerage Limited', 'UCB Investment Ltd', 'UCB Asset Management Limited' and 'UCB Fintech Company Limited'. The Separate (solo) financial statements and consolidated financial statements have been prepared in accordance with International Accounting Standard (IAS) -27: Separate Financial Statements and IFRS-10; Consolidated financial statements. The consolidated financial statements are prepared to a common financial year Ended 31 December 2021. Basis of consolidation are as follows:

- The consolidated financial statements incorporate the financial statements of the bank and the financial statements of the subsidiary companies from the date that control commences until the date that control ceases. The financial statements of such subsidiary companies are incorporated on a line by line basis and the investments held by the parent (bank) are eliminated against the corresponding share capital of group entities (subsidiaries) in the consolidated financial statements.
- Subsidiaries (investees) are entities controlled by the parent (investor). Control exists when
  the investor has the power over the investee that gives right to direct relevant activities,
  exposure, or rights, to variable returns from its involvement with the investee, and the ability
  to use its power over the investee to affect the amount of the investor's returns.
- All financial assets and financial liabilities are offset and the net amount reported in the consolidated financial statements only when there is legally enforceable right to offset the recognized amounts and there is an intention to settle on a net basis or to realize the asset and settle the liability simultaneously. Items are not offset in the consolidated financial statements unless required or permitted by accounting standards and regulators.
- Intra-group balances and transactions, and any unrealized income and expenses arising from intra-group transactions are eliminated in preparing the consolidated financial statements. Unrealized losses are eliminated in the same way as unrealized gains, but only to the extent that there is no evidence of impairment.
- Non-controlling interests are presented in the consolidated statement of financial position
  within equity, separately from the equity of the owners of the parent. Total comprehensive
  income is attributed to the owners of the parent and to the non-controlling interests even if
  this results in the non-controlling interests having a deficit balance.
- Loss of control: Upon the loss of control of a subsidiary the group derecognizes the assets (including any goodwill) and liabilities of the subsidiary at carrying amount, any noncontrolling interests and the other components of equity related to the subsidiary. Any surplus or deficit arising on the loss of control is recognized in profit and loss account. If the

group retains any interest in the former/previous/ex subsidiary, such interest is measured at fair value at the date that the control is lost.

### 2.4 Use of estimates and judgments

The preparation of the financial statements requires the management to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimate is revised and in any future periods affected.

Key estimates include the following:

- Loan loss provision
- Revaluation of land
- Current tax, Deferred tax assets/liabilities
- Gratuity & Superannuation fund
- Lease liabilities

### 2.5 Consistency

In accordance with IFRS framework for the presentation of financial statements together with IAS-1 and IAS-8, United Commercial Bank Limited discloses its information consistently from one period to the next. When selecting and applying new accounting policies, changes in accounting policies and correction of errors, the amounts involved are accounted for and disclosed retrospectively in accordance with the requirement of IAS-8. However, for changes in the accounting estimates the related amount is recognized prospectively in the current period and in the next period or periods.

# 2.6 Foreign Currency Transactions and Translations Functional and presentation currency

The consolidated financial statements of the Group and the financial statements of the Bank are presented in Bangladesh Taka (BDT) which is the functional currency of the Group and the Bank except OBU where functional currency is US Dollar (USD). All financial information presented in Taka has been rounded off to the nearest integer, except when otherwise indicated.

### Foreign currency transactions

Transactions/Day End Balances in foreign currencies are converted into respective functional currencies at the rate of exchange ruling at the date of transactions as per IAS 21, 'The Effects of Changes in Foreign Exchange Rates'. Effects of Exchange rate differences (rates at which transactions were initially recorded and the rate prevailing on the reporting date/date of settlements) applied on the monetary assets or liabilities of the bank are recorded in the Profit and Loss Account.

### Foreign currency translations

Assets and liabilities of OBU have been presented in Taka (which is functional currency of the Bank) using year end standard mid rate of exchange of the Bank and incomes and expenses are translated using monthly average of standard mid rate of exchange. The foreign currency translation difference is a net result of exchange difference of year end standard mid rate and monthly average of standard mid rate arising from translation of functional currency to presentation currency.

### 2.7 Cash flow statement

Cash flow statement has been prepared in accordance with International Accounting Standard (IAS) 7 "Statement of Cash Flows" and under the guideline of Bangladesh Bank BRPD Circular no.14 dated 25 June 2003. The Statement shows the structure of changes in cash and cash equivalents during the financial year.

### 2.8 Statement of changes in equity

The statement of changes in equity reflects information about the increase or decrease in net assets or wealth. The statement also shows item-wise movement along with the description of changes from the end of last year to the end of current year.

### 2.9 Statement of liquidity

The liquidity statement of assets and liabilities as on the reporting date has been prepared on residual maturity term as per following basis:

Particulars	Basis of Use Stated maturity/observed behavioral trend	
Cash, Balance with other banks and financial institutions, money at call and short notice etc.		
Investments	Residual maturity term	
Loans and advances	Repayment/maturity schedule and behavioral trend (non-maturity products)	
Fixed assets	Useful life	
Other assets	Realization/amortization basis	
Borrowings from other banks and financial institutions	Maturity/repayment term	
Deposits and other accounts	Maturity and behavioral trend (non-maturity products)	
Other long term liability	Maturity term	
Provision and other liability	Settlement/adjustment schedule basis	

### 2.10 Significant accounting policies

The accounting policies set out below have been applied consistently to all periods presented in these financial statements, and have been applied consistently by group entities except otherwise instructed by the Central Bank as prime regulator. Certain comparative amounts in the financial statements have been reclassified and rearranged to conform to the current year's presentation.

### Accounting policies of subsidiaries

The financial statements of subsidiaries have been prepared using uniform accounting policies of the Bank (Parent) for transactions and other events in similar nature. The financial statements of subsidiaries have been prepared using the calendar year ended 31 December which is also same for the Bank.

### A. ASSETS AND THE BASIS OF THEIR VALUATION

### 2.10.1 Cash and cash equivalents

Cash and cash equivalents include notes and coins on hand, unrestricted balance held with Bangladesh Bank and highly liquid financial assets which are subject to insignificant risk of changes in their fair value, and are used by the Bank management for its short-term commitments.

### 2.10.2 Investments

All investment securities are initially recognized at cost, including acquisition charges associated with the investment. Premiums are amortized and discounts are accredited. Accounting treatment for government treasury securities (HFT and HTM) is made as per Bangladesh Bank Circular Ref. BRPD Circular no. 5 dated 26 May 2008 and subsequent clarification DOS circular letter no. 5 dated 28 January 2009.

### 2.10.3 Held to Maturity (HTM)

Investments which have "fixed or determinable payments" and are intended to be held to maturity are classified as "Held to Maturity". Initially these investments are recorded at cost. Subsequently at each year end, these investments are measured at amortized cost. Any increase or decrease in the value of such investment is recognized in shareholders' equity and profit and loss account respectively.

### 2.10.4 Held for Trading (HFT)

Investments classified in this category are acquired principally for the purpose of selling or repurchasing in short trading or if designated as such by the management. After initial recognition at cost, investments are revalued at Mark to Market (MTM) on weekly basis and any increase on such valuation is recognized as revaluation gain under the shareholders' equity and any loss is recognized in the profit and loss account.

### 2.10.5 REPO and Reverse REPO:

Securities purchased under re-sale agreements are treated as collateralized lending and recorded at the consideration paid and interest accrued thereon. The difference between purchase price and resale price is treated as interest received and accrued evenly over the life of Repo agreement.

Since 1 September 2010 transactions of REPO and Reverse REPO are recorded based on DOS Circular no. 06, dated 15 July 2010 of Bangladesh Bank. Securities under repo will be excluded from the investment portfolio and hence will not be eligible for SLR purpose. Securities acquired under reverse repo will be eligible for SLR purpose initially at its clean price (in case of coupon bearing security) or at its market value (in case of non-coupon bearing security).

### 2.10.6 Investment in listed/quoted securities

These securities are bought and held primarily for the purpose of selling them in the future or holding for dividend income. These are reported at cost. Unrealized gains are not recognized in the profit and loss account. But provision for diminution in value of investment is recognized in the profit and loss account.

### 2.10.7 Investment in unquoted securities

Investment in unlisted securities is reported at cost under cost method. Adjustment is given for any shortage of Net Assets Value (NAV) over cost in the Profit & Loss Account, but there is no unrealized gain booking.

### 2.10.8 Investment in subsidiaries

Investment in subsidiaries are accounted for under the cost method of accounting in the Bank's financial statements in accordance with IAS 27 "Separate Financial Statements" and IFRS 3 "Business Combination". Impairment of investment in subsidiaries is made as per the provision of IAS 36 "Impairment of Assets":

### 2.10.9 Loans, Advances and provisions

- a) Loans and advances are stated at gross amount.
- b) Loans and advances are broadly classified under the heads of Continuous, Demand, Long Term and Short term Agriculture and Micro Credit. Continuous and Demand Loans are accounted under Capitalized method where interest accrues monthly and applied to loan account quarterly. Term loans are accounted under amortized method where repayments consist of no. of EMIs
- c) Interest on unclassified loans & advances and SMA loans are credited to Interest Income. Interest on Sub- standard and Doubtful Loans and advances are not credited to interest income, it is kept in suspense account as per Bangladesh Bank instructions and such interest is not accounted for as income until realized from borrowers. Interest accrual is kept stopped for all Bad & Loss Advances.
- d) Commission and discounts on bills purchased and discounted are recognized at the time of realization.
- e) General provisions on unclassified loans and off balance sheet items, specific provisions for classified loans and interest suspense thereon are shown under other liabilities. Provision against classified loans and advances is made on the basis of quarter end review by the management and instructions contained in BRPD Circular no.14 dated 23 September 2012, BRPD Circular no.19 dated 27 December 2012, BRPD Circular no.16 dated 18 November 2014, BRPD Circular no. 12 dated 20 August 2017, BRPD Circular no. 15 dated 27 September 2017 and BRPD Circular no. 01 dated 20 February 2018, BRPD circular no. 07 dated 21 June 2018, BRPD circular no. 13 dated 18 October 2018, BRPD circular No.03 dated April 21 2019, BRPD Circular Letter No. 17 (September 28, 2020) and BRPD Circular Letter No. 56 (December 10, 2020), BRPD Circular Letter No. 59 (December 30, 2020), BRPD Circular Letter No. 05 (March 24, 2021), BRPD Circular Letter No. 13 (June 27, 2021), BRPD Circular Letter No. 19 (December 30, 2020), BRPD Circular Letter No. 19 (December 30, 2020), BRPD Circular Letter No. 19 (December 30, 2020), BRPD Circular Letter No. 19 (December 30, 2021), BRPD Circula

Letter No. 19 (August 26, 2021), BRPD Circular Letter No. 45 (October 04, 2021), BRPD Circular Letter No. 50 (December 14, 2021).

n)	
Particulars	Rates

Substandard short term agri credit and, cottage, micro credit & small	5%
Doubtful short term agri credit and micro credit	5%
Doubtful cottage, micro credit & small	20%

f) Loans and advances are written off to the extent that (i) there is no realistic prospect of recovery and (ii) against which legal cases are pending for more than 03 (three) years as per guidelines of Bangladesh Bank (BRPD circular No.01 dated February 06 2019). However, the write off will not reduce the claim against the borrower. Detailed memorandum records for all such write off accounts are maintained carefully and followed up.

As per BRPD circular no. 14 dated 23 September 2012, BRPD Circular No.05 dated 29 May 2013, BRPD circular No.03 dated 21 April 2019 and BRPD Circular Letter No. 56 dated 10 December 2020, for additional special general provision-COVID-19 at 1% also, a general provision at 1% to 5% under different categories of unclassified loans (good/standard loans) have to be maintained.

### 2.10.10 Property, Plant and Equipment and depreciation

### Recognition

The cost of an item of fixed assets is recognized as an asset if it is probable that future economic benefits associated with the item will flow to the entity, and the cost of the item can be measured reliably.

### **Initial Measurement**

Items of property, plant and equipment that qualify for recognition as an asset is measured initially at its cost. The cost of an item of PPE comprises:

a) Its purchase price, including import duties and non-refundable purchase taxes, after deducting trade discounts and rebates.

- b) Any costs directly attributable to bring the asset to the location and condition necessary for it to be capable of operating in the manner intended by management.
- c) The initial estimate of the costs of dismantling and removing the item and restoring the site on which it is located.

## Subsequent Measurement

Subsequently, the Bank has the option to measure an entire class of property, plant and equipment either using cost model or revaluation model.

Fixed assets except land are stated at cost less accumulated depreciation. Land is recognized at cost at the time of acquisition and subsequently measured at revalued amounts which are the fair value at the time of revaluation done by independent professional valuer, and any surplus on revaluation is shown as equity component until the asset is disposed.

# Subsequent expenditure

The bank recognizes any subsequent expenditure in the carrying amount of an item of property, plant and equipment as a part of the cost only when it is probable that future economic benefits embodied with the item will flow to the bank due to the subsequent expenditure. However, expenditures incurred after the assets have been put into operation, such as, repairs and maintenance is recognized as revenue expenditure in the period in which it is incurred.

#### Depreciation

Depreciation is charged at the rates stated below on all fixed assets on the basis of estimated useful lives as

determined in the fixed asset policy of the Bank. In all cases depreciation is calculated using the straight line method. Charging depreciation commences from the month of acquisition (for full month) and ceases at the month when the assets are disposed. No depreciation has been charged on land. Rate and method of charging depreciation/amortization of fixed assets are mentioned below:

Name of the assets	Rate of depreciation	Method of charging depreciation/amortization		
Land	NIL	Not applicable		
Building	2.50%	Straight Line Method		
Furniture & Fixtures	10%	Straight Line Method		
Office Equipment	20%	Straight Line Method		
Computer Equipment's	20%	Straight Line Method		
Computer Software	25%	Straight Line Method		
Vehicle	20%	Straight Line Method		

# Changes in useful life and method of depreciation of the property, plant and equipment

Both changes in useful life of the property, plant and equipment and method of depreciation, i.e. consumption pattern of the assets shall be accounted for as a change in an accounting estimate in accordance with IAS 8 Accounting Policies, Changes in Accounting Estimates and Errors.

#### Capital work in progress

Property, plant and equipment under construction is recognized and reported under Fixed Assets as per IAS 16 'Property, Plant & Equipment' as Capital work in progress until the construction work is completed and the asset is ready for the intended use. This asset is stated at cost, and depreciation of the asset will be charged from the date of its intended use.

## De-recognition of fixed assets

The carrying amount of an item of fixed assets is derecognized on disposal or when no future economic benefits are expected from its use. The gain or loss arising from de recognition of an item of fixed assets is recorded in profit or loss when the item is de-recognized.

## Revaluation of Property, Plant and Equipment

An item of Property, Plant and Equipment is revalued when fair value of the asset differs materially from its carrying amount. Such revaluation is normally carried out by professionally qualified valuers. Last revaluation of Bank's land property and Building were carried as at 27 December 2012 by Padma Techno Consult & Survey Ltd. Accordingly, revaluation surplus is included in fixed assets and assets revaluation reserve is recognized under shareholder's equity as per guidelines of IAS-16; Property, Plant and Equipment. Such revaluation reserve will be disposed off upon retirement/derecognition of the assets.

## 2.10.11 Accounting under lease operations:

# 2.10.11.1 Assets obtained under Lease Agreements

International Financial Reporting Standard (IFRS) 16: Leases come into force on 1 January 2019, as adopted by institute of Chartered Accountants of Bangladesh (ICAB). As per IFRS 16 a lease is a contract (or part of a contract) that conveys the right to use an asset for a period of time in exchange for consideration. A contract contains a lease if fulfilment depends on an identified asset and it conveys the right to control the use of that identified asset throughout the period of use. Each lease component should be identified and accounted for separately.

# 2.10.11.2 Assets given on operating and finance lease arrangements

The objective of IFRS 16 is to report information that faithfully represents lease transactions and provides a basis for users of financial statements to assess the amount, timing and uncertainty of cash flows arising from leases. UCBL applied IFRS 16 using modified retrospective approach where the bank measured the lease liability at the present value of the remaining lease payments, discounted it using the bank's incremental borrowing rate at the date of initial application, and recognised a right-of-use asset at the date of the initial application on a lease by lease basis.

IFRS 16 introduces a single lessee accounting model and requires a lessee to recognise assets and liabilities for all leases with a term of more than 12 months, unless the underlying asset is of low value. A lessee is required to recognise a right-of-use asset representing its right to use the underlying leased asset and a lease liability representing its obligation to make lease payments. Right-of-use assets are depreciated on a straight-line basis over the lease term. The right-of-use assets are presented under property, plant and equipment.

At the commencement date of the lease, the bank recognises lease liabilities measured at the present value of lease payments to be made over the lease term using incremental borrowing rate at the date of initial application. Lease liability is measured by increasing the carrying amount to reflect interest on the lease liability, reducing the carrying amount to reflect the lease payments, and re-measuring the carrying amount to reflect any reassessment or lease modifications.

Bank recognizes interest expense on the lease liability and depreciation of the right-of-use asset. Variable lease payments not included in the lease liability are recognised in the period the obligation is incurred.

A recognition and measurement exemption for short term leases and leases of low value assets is available as a policy choice. However, this exemption is only available to the lessee.

An entity has the right to control the use of an identified asset if it has the right to obtain substantially all of the economic benefits from the use of the asset and the right to direct the use of the asset, i.e. to decide how and for what purpose it is used, otherwise, recorded as operating lease. The Bank has elected not to recognise right-of-use assets and lease liabilities for leases of low value assets and short-term leases. The Bank recognises lease payments associated with these leases as an expense.

## 2.10.12 Intangible asset

An intangible asset is to be recognized only if it is probable that future economic benefits attributable to the assets will flow to the bank and the cost of the asset can be measured reliably. Recognition & measurement of Intangible Assets are guided by International Accounting Standard (IAS)-38; 'Intangible Asset'. Intangible assets are derecognised on disposal or when no future economic benefits are expected from their use. Gain or loss arising from derecognition of an intangible asset is measured as the difference between the net disposal proceed and the carrying amount of that intangibly asset is recognised in profit and loss account. Due to following BRPD circular no. 14 dated 25 June 2003, intangible assets are not disclosed in a separate line rather reported under Fixed Assets. However, separate line item along with the rate of amortization is identifiable in the detail schedule of Fixed Asset.

## 2.10.13 Impairment of assets

The carrying amounts of bank's assets are reviewed when as required to determine whether there is any indication of impairment. Any impairment loss is recognized in the profit and loss account if the carrying amount of an asset exceeds its recoverable amount [IAS 36 Impairment of Assets]. No such impairment loss has arisen and been recognized during the year ended 31 December 2021.

#### 2.10.14 Other Assets

Other assets include mainly advance office rent, payment of advance income tax for which assessment of tax has not yet been finalized, investment in subsidiaries, fees and other unrealized income receivable, advance for operating and capital expenditure, stocks of stationery & stamps etc. As per BRPD Circular No. 14 dated 25 June 2003, Income & Non-income-generating other assets item(s) have been shown separately in the relevant notes to the financial statements.

# 2.10.15 Receivables

Receivables are recognized when there is a contractual right to receive cash or another financial asset from another entity or person.

#### 2,10.16 Non-banking assets

Bangladesh Bank vide BRPD circular no. 14 dated 25 June 2003 required that Non-banking assets should be shown separately in the books of accounts. Non-banking assets are acquired on account of the failure of a borrower to repay the loan in time after receiving the decree from the court regarding the right and title of the mortgaged property.

## Recognition of non-banking assets

Although there is no indication of non-banking assets found in any International Financial Reporting Standards (IFRS), non-banking assets are to be recorded in the books of accounts when all formalities regarding confirmation of ownership have been completed. It means that asset to be recognized during controlling over economic benefits flowing from the asset to the bank is established and its associated cost/value is reliably measured. Therefore, considering practical grounds, non-banking assets are recorded in the books of accounts of UCBL when all of the following conditions have been met:

- a) Certification of ownership u/s 33(7) of the 'Artharin Adalat Act 2003' obtained
- b) Registration from the Sub Registry Office completed
- c) DCR & Mutation form the concerned AC Land office completed
- d) Land Rent tax and Municipal tax (if any) Paid
- e) Valuation of the property done
- f) Physical possession obtained

## Measurement of the non-banking assets:

Non-banking Asset is measured at the estimated Forced Sale Value (FSV) as determined by the independent professional valuing firm.

## **B. LIABILITIES AND PROVISIONS**

# 2.10.17 Borrowings from other banks, financial institutions and agents

Borrowings from other banks, financial institutions and agents include interest bearing borrowings, bonds etc. which are stated in the financial statements at principal amount of the outstanding balance. Interest payables on such borrowings are reported under other liabilities.

#### 2.10.18 Debt securities:

After global economic turmoil in 2010, the global financial regulators are more concerned with enhancing risk resilience capacity of the banks and introduced more risk sensitive capital adequacy framework namely Basel III. With the view to strengthening capital base of the bank and subsequently to meet up the capital adequacy ratio as per Bangladesh Bank's instruction in line with BASEL-III Accord, UCB issued the following Subordinated and Perpetual bonds with key features as listed below:

#### **Subordinated Bond:**

Name of the Subordinated Bond	Issued Amount	Outstanding Amount	Issue		Interest	Range of	Redemption
	(BDT in Million)	As on 31 Dec 2021 (BDT in Million)	Date	Tenure Rate Intere	Interest Rate	of Principal

# 2.10.19 Deposits and other accounts

Deposits and other accounts include current deposits redeemable at call, short term deposits, savings deposits and fixed deposits which are initially measured at the consideration received. These items are subsequently measured and accounted for at the gross value of the outstanding balance in accordance with the contractual agreements with the counter parties.

#### 2.10.20 Other liabilities

Other liabilities comprise items such as provision for loans and advances/ investments, provision for taxes, interest payable on borrowing, interest suspense and accrued expenses etc. Individual item-wise liabilities are recognized as per the guidelines of Bangladesh Bank and International Financial Reporting Standards (IFRS).

## 2.10.21 Dividend payments

Interim dividend is recognized when it is paid to the shareholders. Final dividend is recognized when it is approved by the shareholders in AGM. The proposed dividend for the year 2021 is, therefore, has not been recognized as a liability in the balance sheet in accordance with IAS 10 'Events after the Reporting Period'. Dividend payable to the Bank's shareholders is recognized as a liability and deducted from the shareholders' equity in the period in which the shareholders' right to receive the payment is established.

## 2.10.22 Provision for loans and advances

Provision for classified loans and advances is made on the basis of quarter end review by the management and instructions contained in BRPD Circular no.14 dated 23 September 2012, BRPD Circular no.19 dated 27 December 2012, BRPD Circular no.16 dated 18 November 2014, BRPD Circular No. 08 dated 2 August 2015, BRPD Circular no. 12 dated 20 August 2017, BRPD Circular no. 15 dated 27 September 2017, BRPD Circular No.03 dated April 21 2019, BRPD Circular Letter No. 17 (September 28 2020) and BRPD Circular Letter No. 56 (December 10 2020). Details are stated in Note 12.

# 2.10.23 Provision for investment in capital market

For recognition of loss suffered from investment in capital market, provision is to be provided on unrealized loss (gain net off) according to DOS Circular No. 04 dated 24 November 2011 on portfolio basis.

# 2.10.24 Provision for off-balance sheet exposures

In compliance with Bangladesh Bank guidelines, contingent liabilities have been disclosed under off-balance sheet items. As per BRPD circular no. 07 dated 21 June 2018 and BRPD circular no. 13 dated 18 October 2018, the Bank has been maintaining provision @ 1% against off-balance sheet exposures.

## 2.10.25 Provision for other assets

Provision for other assets is made as per the guidelines mentioned in the BRPD Circular No. 14 dated 25 June 2001 i.e. 100% provision is required on other assets which are outstanding for one year or more.

## 2.10.26 Provision for Nostro accounts

Provision for unsettled transactions on nostro accounts is made in accordance with the guideline of Foreign Exchange Policy Department of Bangladesh Bank, FEPD Circular no. FEPD (FEMO) / 01/2005-677 dated 13 September 2005. On the reporting date, UCBL has no unsettled transactions outstanding for more than 3 months and no provision has been made in this regard.

# 2.10.27 Provision for liabilities and accrued expenses

In compliance with IAS 37, provisions for other liabilities and accrued expenses are recognized in the financial

statements when the Bank has a legal or constructive obligation as a result of past event, it is probable that an outflow of economic benefit will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

## 2.10.28 Retirement Benefit Schemes

The retirement benefits accrued for the employees of the Bank as on reporting date has been accounted for in accordance with the provision of International Accounting Standard-19, "Employees Benefits". Various types retirement benefit schemes of the bank are as follows:

## **Provident fund**

Provident fund benefits are given to the employees of the Bank in accordance with the registered provident fund rules. The Commissioner of Income Tax, Dhaka (North) has approved the provident fund as a recognized provident fund within the meaning of section 2 (52) read with the provision of part – B of the First Schedule of Income Tax Ordinance 1984. The recognition took effect from November 30, 1988. The Fund is operated by a Board of Trustee consisting 03 (three) members of the Bank. All confirmed employees of the Bank are contributing 10-20% of their basic salary as subscription to the fund. The bank also contributes equal amount of the employees' contribution. Interest earned from the investments is credited to the members' account on half yearly basis.

#### **Gratuity fund**

Gratuity benefits are given to the employees of the bank in accordance with the approved gratuity fund rules. The National Board of Revenue has approved the gratuity fund as a recognized gratuity fund on December 27, 1995. The fund is operated by a Board of Trustee consisting 3 (Three) members of the bank. Employees are entitled to gratuity benefit after completion of minimum 5 (five) years of service in the bank. The Gratuity is calculated on the basis of last basic pay and is payable at the rate of one month's basic pay for every completed year of service. Gratuity fund is a "Defined Benefit Plan" and contribution to Gratuity Fund is measured through the result of actuarial valuation of the fund.

The Bank's net obligation in respect of gratuity is calculated by estimating the amount of future benefit that employees have earned in the current and prior periods, discounting that amount and deducting the fair value of any plan assets. The calculation of defined benefit obligations is performed annually by a qualified actuary using the projected unit credit method.

Net interest expense, current service cost and other expenses related to defined benefit plans are recognised as salaries and allowances in profit or loss. When the benefits of a plan are changed or when a plan is curtailed, the resulting change in benefit that relates to past service or the gain or loss on curtailment is recognised immediately in profit or loss.

#### Welfare fund

Employees' Welfare fund was established in June 18, 2009. The UCBL policy on Employees' Welfare Fund, 2009, governs the fund and the day-to-day affairs are run by a duly constituted Board of Trustee. The fund is held and administered by a Board of Trustee and invested according to the rules of the Fund framed as per applicable laws of Bangladesh.

## Workers' Profit Participation Fund (WPPF)

Consistent with the industry practice and in accordance with The Bank Company Act, 1991, no provision has been made for WPPF.

## 2.10.29 Taxation

Income tax represented the sum of the current Tax and deferred tax payable for the year under reporting.

#### i) Current Tax

Current tax is the amount of income taxes payable (recoverable) in respect to the taxable profit (tax loss) for a period. Provision for current income tax has been made as per the prescribed rate in the Income Tax Ordinance 1984 on the accounting profit made by the bank after considering some of the add-backs to income and disallowances of expenditure as per income tax laws with IAS-12, "Income Taxes". Tax Assets under the group head of other assets are recognized for payment of advance income tax, tax deducted at source and tax paid at the time of IT Return for the year/years for which assessment has not yet been finalized. On the other hand, the tax provision (as estimated as per IAS-12; Income Taxes, provision of latest Finance Act, related SROs/guidelines etc.) are recognized as tax liability under the group head of other liability for the year/years for which assessment has not yet been finalized.

#### ii) Deferred Tax

Deferred tax liabilities are the amount of income taxes payable in future periods in respect to taxable temporary differences. Deferred tax assets are the amount of income tax recoverable in future periods in respect of deductible temporary differences. Deferred tax assets and liabilities are recognized for the future tax consequences of timing differences arising between the carrying values of assets, liabilities, income and expenditure and their respective tax bases. Deferred tax assets & liabilities are measured using tax rate & tax laws enacted or at the balance sheet date. Tax impact on the account of changes in deferred tax assets and liabilities has also been recognized in the profit and loss account as per IAS-12, "Income taxes".

#### C. Capital / Shareholders' equity

## 2.10.30 Capital

## (a) Authorized capital

Authorized capital is the maximum amount of share capital that the bank is authorized by its Memorandum and Article of Association to issue to shareholders.

## (b) Paid-up capital

Paid-up Capital represents total amount of shareholders' capital that has been paid in full by the ordinary shareholders. Holders of ordinary share are entitled to receive dividends as declared from time to time and are entitled to vote at shareholders' meetings. In the event of a winding-up of the company, ordinary shareholders rank after all other shareholders and creditors and are fully entitled to any residual proceeds of liquidation.

## 2.10.31 Statutory reserve

Statutory reserve has been maintained @ 20% of profit before tax in accordance with provisions of section 24 of the Bank Company Act, 1991 (and amendments thereon).

#### 2.10.32 Asset revaluation reserve

When an asset's carrying amount is increased as a result of revaluation, the increased amount is credited directly to equity under the heading of assets revaluation reserve as per IAS 16 'Property, Plant and Equipment. The Bank also follows the assets revaluation guidelines issued by BSEC on 18 August 2013.

## 2.10.33 Reserve for Amortization/revaluation of securities

When a Financial Asset categorized under HTM or HFT and subsequent value of the asset is increased as a result of amortization of assets or mark to market revaluation, the net increased amount (for HTM increase or decrease of book value and for HFT loss to P&L but gain to revaluation reserve through P&L) is credited directly to equity under the heading of reserve for amortization/revaluation of securities as per Bangladesh Bank DOS circular no. 06, dated 15 July 2010.

#### 2.10.34 Retained Earnings

The surplus amount after appropriation of yearly profit is kept in Retained Earnings.

## 2.10.35 Share premium

The Share premium represents the excess amount received by the bank from its shareholders over the nominal/par value of its share. The amount of share premium can be utilized as per the provision of Section 57 of the Companies Act 1994.

#### 2.10.36 Contingent asset and contingent liability

A contingent asset is a possible asset that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events and on the other hand a contingent liability is a possible obligation that arises from past events and whose existence will also be confirmed only with the occurrence or non-occurrence of one or more uncertain future events. Contingent asset and liability is not recognized rather disclosed in the financial statements.

Bank also undertakes forward rate agreements and transaction of similar financial instruments and derivatives. Such activities are undertaken in line with Bangladesh Bank guidelines and an appropriate provision has been made against such contingent items.

#### 2.10.37 Accounting of Derivative Financial Instruments

#### **Derivatives**

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity. Derivative is a financial instrument meeting all of the following three features:

- whose value changes in response to the change in price of an underlying security, commodity, currency, index or other financial instruments;
- where the initial net investment is zero or is small in relation to the value of underlying security or index;
- 3. that is settled at a future date.

Derivatives are classified as held for trading (unless they are hedging instruments) and accordingly, measured at fair value. Any changes in fair value is recorded in profit and loss account.

## **Embedded derivatives**

Certain contracts that are not themselves derivatives (and may not be financial instruments) include derivative contracts that are 'embedded' within. An embedded derivative is a component of a hybrid (combined) instrument that also includes a non-derivative host contract. Embedded derivative causes some or all of the cash flows of the host contract to be modified. Besides, embedded derivative cannot be transferred to a third party independently of the instrument. The basic rule for accounting for an embedded derivative is that it should be separated from its host contract and accounted for as a derivative, i.e., measured at fair value and any changes in fair value recognized in profit and loss account. Separation of embedded derivative from the host contract is made only when the following conditions are met:

The economic characteristics and risks of the embedded derivatives are not closely related to the economic characteristics and risks of the host contract.

- The embedded derivative would meet the definition of a derivative if separated from the host contract.
- The hybrid (combined) instrument is not measured at fair value with changes in fair value recognized in profit and loss.

#### D. REVENUE RECOGNITION

#### 2.10.38 Interest income

Interest on unclassified (Standard and SMA) loans and advances is accounted for as income on accrual basis, interest on classified loans and advances (SS and DF only) is credited to interest suspense account, with actual receipt of interest there from credited to income as and when received as per instruction contained in BRPD 14 dated 23 September 2012, BRPD 19 dated 27 December 2012, BRPD 16 dated 18 November 2014 and BRPD circular No.03 dated April 21 2019, BRPD Circular Letter No. 56 dated December 10, 2020 and BRPD Circular Letter No. 53 dated December 30, 2021 of Bangladesh Bank.

#### 2.10.39 Fees and commission income

Fees and commission income arises on services provided by the Bank and recognized on accrual basis. Commission charged to customers on letters of credit, letters of guarantee and acceptance are credited to income at the time of effecting the transactions.

#### 2.10.40 Interest income from investments

Interest income from investments in Government and other securities, debentures and bonds are accounted for on accrual basis.

## 2.10.41 Income from exchange

Exchange income includes all gain and losses from foreign currency day to day transactions, conversions and

revaluation of Non-Monetary items.

#### 2.10.42 Dividend income

Dividend income from investments is recognized at the time when it is declared, ascertained and right to receive the payment is established.

## 2.10.43 Interest paid on borrowings and deposits

- a. Interest expenses are recognized on accrual basis taking into account daily balance outstanding at the rate applicable for respective deposits and interest on savings and SND accounts is credited to depositors account on half yearly basis. No interest is applicable on the balance lying in current deposit account. Interest on FDR accrued but not due to clients A/c was credited to 'Other Liability A/c - Interest Payable'.
- b. Other expenses are also recognized and recorded on accrual basis.

## 2.10.44 Management and other expenses

Expenses incurred by the Bank are recognized on actual and accrual basis.

#### E. OTHERS

#### 2.10.45 Materiality and aggregation

Each material class of similar items has been presented separately in the financial statements. Items of dissimilar nature have also been presented separately unless they are immaterial in accordance with IAS 1 'Presentation of Financial Statements'.

## 2.10.46 Offsetting

Financial assets and financial liabilities are offset and the net amount is presented in the balance sheet when there is a legally enforceable right to offset the recognized amounts and there is an intention to settle on a net basis, or realize the asset and settle the liability simultaneously.

#### 2.10.47 Earnings Per Share (EPS)

The company calculates earnings per share (EPS) in accordance with IAS 33, "Earnings Per Share" which has been shown on the face of the Profit and Loss Account. Earnings per share (EPS) has been calculated by dividing the net profit after tax by the total number of ordinary shares outstanding at the end of the year. Details are shown in note 39 to the financial statements.

## **Basic Earnings Per Share**

Basic earnings per share shall be calculated by dividing profit or loss attributable to ordinary equity holders of the parent entity (the numerator) by the weighted average number of ordinary shares outstanding (the denominator) during the period.

## Weighted average number of ordinary shares outstanding during the year

This represents the number of ordinary shares outstanding at the beginning of the year plus the number of ordinary shares issued during the year multiplied by a time weighted factor. The time weighting factor is the number of days the specific shares are outstanding as a proportion of the total number of days in the year. The total number of shares issued in current reporting period has been multiplied by a time weighting factor which is the number of days the specific shares were outstanding as a proportion of total number of days in the period.

## **Diluted Earnings Per Share**

Diluted EPS is determined by adjusting the profit or loss attributable to ordinary shareholders and the average number of ordinary shares outstanding for the effects of all dilutive potential ordinary shares. However, diluted earnings per share calculated during the financial year 2021.

## 2.10.48 Related Party Transactions

Parties are considered to be related if one party has the ability, directly or indirectly, to control the other party or exercise significant influence over the other party in making financial and operating decisions. Parties are also considered to be related if they are subject to common control or common significant influence. Related party transaction is a transfer of resources, services, or obligations among related parties, regardless of whether a price is charged as per IAS 24 'Related Party Disclosures', Bangladesh Bank & BSEC guidelines. Details of the related party transactions have been disclosed in notes 47.1 to 47.8.

#### 2.10.49 Reconciliation of books and account

Books of account in regard to inter-bank (in Bangladesh and outside Bangladesh) as well as interbranches are reconciled at regular intervals to keep the unreconciled balances within non-material level.

### 2.10.50 Events after the reporting period

Where necessary, all the material events after the balance sheet date have been considered and appropriate adjustment/ disclosures have been made in the financial statements as per IAS 10 'Events after the Reporting Period'.

Only material event after the balance sheet date is: The Board of Directors recommended Stock dividend @ 10% for the year 2021 in its meeting no. 469<sup>TH</sup> held on March 30, 2022.

#### 2.10.51 Credit rating

ECRL has rated the Bank based on December 31, 2020 with "AA" (pronounced as Double A) in the Long Term and ST-2 for the Short Term. The date of rating was May 07, 2021.

Year	Long Term Rating	Short Term Rating
2020	AA	ST-2
2019	AA	ST-2

The outlook of the rating is Stable. The rating reflects the strengths of the company which is backed by its strong management, good liquidity position and satisfactory capital base as well as branch coverage throughout the country.

# 2.10.52 Compliance report on International Accounting Standards (IAS) and International Financial Reporting Standards (IFRS)

The Financial Reporting Act 2015 (FRA) was enacted in 2015. Under the FRA, the Financial Reporting Council (FRC) was formed in 2017 and adopted International Accounting Standards (IASs) and International Financial Reporting Standards (IFRSs) as the applicable Financial Reporting Standards for public interest entities such as banks. Consequently, the consolidated and separate financial statements of the Group and the Bank respectively have been prepared in accordance with International Accounting Standards (IASs) and International Financial Reporting Standards (IFRSs) as adopted by FRC. While preparing the financial statements, UCB applied all the applicable IASs and IFRSs as adopted by FRC. Details are given below:

<sup>\*</sup> In order to comply with certain specific rules and regulations of the local Central Bank (Bangladesh Bank) which are different to IAS/IFRS, some of the requirements specified in these IAS/IFRSs are not applied. Refer below for such recognition and measurement differences that are most relevant and material to the Bank and the Group.

\*\* This Standard regards a retirement benefit plan as a reporting entity separate from the employers of the participants in the plan. Therefore, it is not applicable for the Bank's annual report as it is the employer and not the retirement benefit plan itself.

\*\*\* The objective of IAS 34 is to prescribe the minimum content of an interim financial report and to prescribe the principles for recognition and measurement in complete or condensed financial statements for an interim period and hence it is not applicable for annual financial statements. However, the Bank being a listed entity in Dhaka and Chittagong Stock Exchanges regularly publishes Interim Financial Report complying with IAS 34.

### N/A= Not Applicable

#### New accounting standards not yet adopted:

The Bank has consistently applied the accounting policies as set out in Note 2 to all periods presented in these financial statements. The various amendments to standards, including any consequential amendments to other standards have been considered. However, these amendments have no material impact on the financial statements of the Bank.

A number of standards and amendments to standards are effective for annual periods beginning after 1 January 2021 and earlier application is permitted. However, the Bank did not apply earlier the following new standard in preparing these financial statements.

#### **IFRS 17 Insurance Contracts**

IFRS 17 was issued in May 2017 and to be applied to annual reporting periods beginning on or after 1 January 2023. IFRS 17 establishes the principles for the recognition, measurement, presentation and disclosure of insurance contracts within the scope of the standard. The objective of IFRS 17 is to ensure that an entity provides relevant information that faithfully represents those contracts. The Bank has not yet assessed the potential impact of IFRS 17 on its financial statements.

There are no other standards that are not yet effective and that would be expected to have a material impact on the Bank in the current or future reporting periods and on foreseeable future transactions.

## 2.10.53 Operating segments:

Business segments report consists of products and services whose risks and returns are different from those of other business segments. The Bank has Nine reportable segments, as described below, which are the Bank's strategic business units. The strategic business units offer different products and services, and are managed separately based on the Bank's management and internal reporting structure. Each of the strategic business units of the Bank are periodically reviewed by the Management Committee. The following summary describes the operations in each of the Bank's reportable segments:

Segments' Name	Description
Corporate	This unit focuses on large corporate groups including structured/syndicated
Banking	finance with a variety of advances & deposit products and other transactions.
SME Banking	Includes loans, deposits and other transactions and balances with SME
	customers.

	liability management through money market operation, Fx. market dealings,
	investing in derivatives including forwards, futures and swaps.
Investment	Includes the Bank's trading, investment in equities and other capital market
Banking	activities.
Offshore Banking	This unit aims to provide all kinds of commercial banking services to its
	customers in freely convertible currencies. Presently the Bank has one unit in
	Dhaka.
Card and	This includes offering a variety of debit card and credit card to the customers
Alternate Delivery	according to their needs.
Channel	
Mobile Financial	Mobile Financial Services came up with the aim to cover a large number of
Services	people under banking channel though mobile network facilitating convenient
	cash in/out, bill payment, POS purchase etc.
Agent Banking	UCB Agent Banking aims to promote full-fledged banking services to
	geographically dispersed and financially excluded areas. It's looking forward
	to offer cashless transaction to all class of people in near future.

## 2.10.54 Risk Management

In banking organization, risk is the possible outcome of an action or event which could bring up an adverse impact. Such outcome could either result in a direct loss of earnings/capital or may result in imposition of constraints on banks' ability to meet their business objectives. Risk is the outcome of

losses due to sudden downturn in economy or falling interest rates. Banks have to rely on their capital as a buffer to absorb such losses. The types and degree of risks of an organization may be exposed depending upon a number of factors such as its size, complexity in business activities, volume etc. Initially Bangladesh Bank had issued guidelines on six core risk areas and accordingly scheduled banks operating in Bangladesh has implemented the guidelines for better risk management practice. Implementation of core risk management guidelines by United Commercial Bank Limited and its status are discussed below.

## 2.10.54.1 Credit Risk Management

Credit risk is most simply defined as the potential risk where a bank borrower or counterparty will fail to meet its obligations in accordance with agreed terms. The goal of credit risk management is to maximize a bank's risk-adjusted rate of return by maintaining credit risk exposure within acceptable parameters. Banks need to manage the credit risk inherent in the entire portfolio as well as the risk in individual credits or transactions. Banks should also consider the relationships between credit risk and other risks. The effective management of credit risk is a critical component of a comprehensive approach to risk management and essential to the long term success of any banking organization.

Both on-balance sheet and off-balance sheet activities like guarantee has impact on credit risk. It may arise from either an inability or an unwillingness to perform in the pre-committed contracted manner. Credit risk comes from a bank's dealing with households, small or medium-sized enterprises (SMEs), corporate clients, other banks and financial institutions, or a sovereign. The assessment of credit risk involves evaluating both the probability of default by the borrower and the exposure or financial impact on the bank in the event of default.

Our credit risk management function has been kept independent of business origination functions to establish better internal control and to reduce conflict of interest. The Chief Risk Officer and the Head of Credit Risk Management have clear responsibilities for management of credit risk. The final authority and responsibility for all activities that expose the bank to credit risk rests with the Board of Directors.

The Board, however, has delegated authority to the Managing Director and CEO to re-delegate authorities to other officers of the credit risk management division. The Board also sets credit policies and delegates authority to the management for setting procedures, which together has structured the credit risk management framework in the bank.

In reference with the BRPD circular letter no 04 and 35 dated January 04, 2021 and July 06, 2021 respectively, UCBL has complied with the Bangladesh Bank directives for the loan accounts at the time of sanctioning or renewal in the year 2021, where applicable.

## 2.10.54.2 Foreign Exchange Risk Management

Foreign exchange risk is the risk that changes an investment's value due to changes in currency exchange rates. This risk usually affects businesses that export and/or import but also affect investors making international investments. Financial risk management is the practice of creating economic value in a firm by using financial instruments to manage exposure to risk. The most common cause of foreign exchange (FX) risk arises from making overseas payments for imports that are priced in a foreign currency and receiving foreign currency as payment against exports. Exposure to foreign exchange risk can also arise from foreign currency borrowing and deposits, overseas subsidiaries, assets located overseas.

UCB has developed a Foreign Exchange Risk Management policy in line with the Bangladesh Bank foreign exchange guidelines to minimize different types of risks associated with foreign exchange transactions. In this guideline treasury functions are clearly demarcated between treasury front office, mid office and back office. The front office is involved only in dealing activities and the back office is responsible for all related support and monitoring functions on the other hand, mid Office will be responsible to monitor market risk, liquidity risk and operational risks at treasury. Treasury Front Office' 'Treasury Mid Office and 'Treasury Back Office' have separate and independent reporting lines to ensure segregation of duties and accountabilities.

The Bank has also developed different strategies to handle the foreign exchange risk by setting different types of limits and risk parameters to measure and monitor foreign exchange risk exposure of the Bank. Treasury department is vested with the responsibility to measure and minimize the foreign exchange risk associated with bank. To assess the degree of the risk associates with foreign exchange position bank computes VaR (Value at Risk) on its foreign exchange position on daily basis. To deal smoothly the dealers have various limits with triggers such as counterparty limit, stop loss limit, intraday limit, per deal limit etc.

Dealing room is equipped with Reuter's information and dealing system, a voice recorder for recording deals taking place over the telephone, television with financial news channels. Before entering into any deal with a counter party, a dealer ensures that they have knowledge about the counter party's dealing style, product mix and assess whether the customer is dealing in an appropriate manner.

## 2.10.54.3 Asset Liability Management Risk

ALM is an integral part of the financial management process of any bank. It is concerned with strategic balance sheet management involving risks caused by changes in the interest rates, exchange rates and the liquidity position of the bank.

The Asset Liability Management Committee (ALCO) of UCB headed by the Managing Director of the Bank meets at least once in every month to look after the financial market activities, manage liquidity risk, interest rate risk and FX or currency risk. Asset Liability Management (ALM) desk of the Treasury is primarily responsible for management of liquidity risk on a daily basis by appropriate coordination of funding activities.

Asset liability Committee (ALCO) reviews the country's overall economic position, market outlook (local and global) and Bank's liquidity position. A quarterly projection of fund flows is reviewed in ALCO meeting regularly. ALCO also examines key ratios such as Maximum Cumulative Outflow, Advance Deposit Ratio, Capital Adequacy Ratio, Liquidity Coverage Ratio (LCR), Net Stable Funding Ratio (NSFR), Leverage ratio etc. ALCO also monitors concentration of deposits of large institutional depositors which is volatile in nature.

In addition to the above ratios ALCO also analyses following statements to measure and monitor liquidity risk, interest rate risk and FX or currency risk:

Risks	* Statement
Liquidity Risk	• Structural liquidity profile
	Dynamic kouldity profile
	Key Management Ratios
	Cash flow projection
Interest Rate Risk	• Fraditional Gap Analysis (up to 1 Year)
	• Traditional Gap Analysis (Total A-L) 🗓
	🔸 Duration Gap Analysis 🚐 🕬
	Balance Sheet VaR
	Stress Testing
Currency Risk	Currency wise Exposure 7
THE STATE OF THE S	• Value at Risk (VaR)

## 2.10.54.4(i) Internal Control and Compliance Risk:

Internal Control is a process, effected by a bank's board of directors, management, and other personnel, designed to provide reasonable assurance regarding the achievement of objectives relating to operations, reporting and compliance. An organization deploy many layers of defense. In order to ensure, there are enough controls to manage the adverse risk of any major setback. The first layer of defense is the operational management. The second layer of defense is the control function such as internal control, risk management and compliance. The third layer of defense is the internal and external audit function.

A system of strong internal controls can help ensure that the goals and objectives of a banking organization will be met, that the bank will achieve long -term profitability target, and maintain reliable financial and managerial reporting. Such a system is designed to provide reasonable assurance regarding the achievement of objectives in the following categories:

- Effectiveness and efficiency of operations,
- Reliability of financial reporting and
- Compliance with applicable laws, regulations, and internal policies.

UCBL develops and maintains a robust internal control framework comprising the following internal control features:

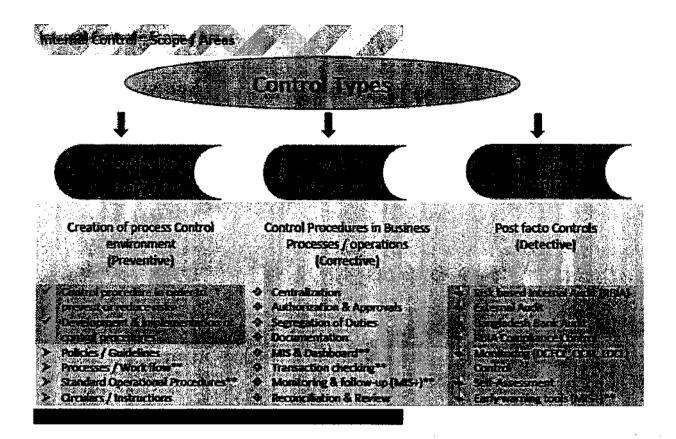

- Management oversight and the control culture
- Risk recognition and assessment

Control activities and segregation of duties

- Information and communication
- Monitoring activities and correcting deficiencies

Typically, Internal Controls may be defined as under:

Internal Control & Compliance Division (ICCD) under guidance of Board & Senior Management has been working on the issue in light of Bangladesh Bank guidelines. Audit function is now totally independent with reporting line of 'Head of Audit' to Audit Committee of Board along with administrative reporting line to 'Head of ICCD'. Competent authority of the bank has taken various steps to strengthen internal audit as well as compliance activities for ensuring a standard compliance culture within the organization towards mitigating Internal Control & Compliance Risks.

The key issues that have been established for effective internal control of UCBL are as follows:

- ICCD of UCB is working in light of guideline on Internal Control & Compliance Guideline of UCB.
- ii. ICCD arranges awareness Building workshop regarding compliance culture in different zone.
- iii. The internal Audit department of the Bank checks for compliance with policies and procedures and the effectiveness of internal control systems on an ongoing basis.
- iv. Compliance inspection team of ICCD carried out compliance inspection regarding authenticity/accuracy of RBIA compliance and miss reporting
- v. In assessing the internal control system UCB continued to review of different control tools i.e. QOR, LDCL, DCFCL, Internal audit checklist and Risk rating.
- vi. ICCD prepare Health Report of UCB on Annual basis.
- vii. Self-Assessment of Anti-Fraud Internal Controls is carried out on semi-annual basis as per DOS circular letter #10 dated 9 May 2017 of BB.

Effective and efficient internal control of UCBL secure the interest of depositors and stakeholders through establishing the following internal control functions:

- Compliance
- Information Security
- Internal Audit
- Risk Management

It helps to reinforce the 3 (three) types of control ie. Preventive - creation of process control environment, Corrective - Control Procedures in business processes/operation and Detective - Post facto controls.

## 2.10.54.4(ii) Fraud and Forgeries Risk

Fraud is deliberate deception to secure unfair or unlawful gain. UCB has been relentlessly striving for effective anti-fraud control mechanism to be in place and are working properly so that attempts to make fraud and forgeries can be identified at the initiation, escalated to the appropriate level of management and necessary corrective measures are undertaken accordingly. Moreover, as a part of practicing compliant culture, the Bank reported all instances of fraud and forgeries detected to the central bank on timely manner.

## 2.10.54.5 Money Laundering Risk:

Financial institutions across the globe are working hard to fight financial crime driven by demands to protect assets and maintain regulatory compliance. The areas of specific focus are those of Anti-Money Laundering (AML) and Anti-Terrorist Financing (ATF). Money laundering is the process of providing legitimate appearance to the illegally gained revenue. And terrorist financing process involves collecting the funds intended for use in supporting the terrorist organization from a variety of sources and using the funds as needed to further the terrorist organization's goals. Both Money Laundering and Terrorist Financing have the tradition of eroding the financial institutions and weakening the financial sectors' role in the economic growth.

Regulators expect functions in the Bank to be standardized on a global level and across business lines. The businesses themselves need consistency and efficiency. One of the best ways to satisfy these expectations is to centralize functions. This is an important first step in sharing and harmonizing skills throughout the organization.

UCB has already gone a long way in the path of centralizations of its functions. In 2018, new Anti-Money Laundering and Anti-Terrorist Financing Division has been formed. As instructed by BFIU, Deputy CAMLCO is heading this Division. The Division has been manned with qualified resources to ensure high level of AML and ATF compliance across the Bank.

AML & ATF Division has arranged a number of training programs on prevention of money laundering and terrorist financing for the Executives/Officers of the Bank through-out 2021 to develop their professional skill and ensure better compliance. A total number of 938 employees were covered in these training programs (including e-learning & online quiz).

In line with international initiatives and standards, the Regulator has issued guidelines for preventing Trade Based Money Laundering (TBML). UCB has also prepared its own policy on "Prevention of Trade Based Money Laundering" on September 29, 2020 based on the BFIU guidelines on the same.

Yearly Message of the Managing Director on Bank's measures for Prevention of Money Laundering & Terrorist Financing has been sent to all employees of the Bank on August 09, 2021 for meticulous compliance by all the concerned.

We have reported 28 (Twenty-Eight) Suspicious Transaction Reports (STRs) and 14 (Fourteen) Suspicious Activity Reports (SARs) to BFIU in 2021.

#### 2.10.54.6 Information Communication Technology Risk

In the recent years, banking industry has been reshaped significantly in terms of its operational processes, service delivery channels, market strategies including targeting, segmenting, positioning / penetrating and with the wide varieties of product & services catered for individual customer needs mostly. Among all other pivotal factors, 'Information and Communication Technology' (ICT) has been regarded as the core to bring such momentous transformation into successful reality. Consequently, the importance of information security for the banks has gained much importance, and it is of the critical essence for us to ensure that the ICT risks are being properly identified and measured, and adequate mitigation strategies are in place.

ICT Risk management is a systematic approach for the identification, assessment and management of information security related risks in Bank. It encompasses not only the negative impacts of operations and service delivery which can bring destruction or reduction of the value of the Bank, but also the risk associated with opportunities losses to explore the technological benefits with adverse business impact.

UCB regarded 'Effective Risk Management Process' as a vital constituent of a thriving IT security program. Therefore, we developed our ICT risk management process in a way to aid the bank in achieving the new-fangled business changes, potential investment in information technology system, mitigating existing and imminent ICT threats.

The ICT Policy of the Bank has recently been revised and restructured to comply with the recent technology, risk management trends and Bangladesh Bank latest ICT guideline. The Business Continuity Plan, Disaster Recovery Plan and Information Security Management Policy have been republished after the revision. Moreover, UCB has developed ICT Risks Management Policy and approved by board, which covered all areas of IT risks according to Bangladesh Bank risks grading guideline.

UCB has the following footprints on reducing ICT risks including fraud prevention which will eventually ensure our sustainable banking operation in the foreseeable future:

- Vulnerability Assessment and Penetration Testing (VA/PT) Solution Introduced.
- Optimization of SWIFT System has been successfully completed.
- Internet Banking Solution with two factor authenticator (2FA) mechanisms and OTP.
- Anti-Money Laundering (AML) Solution Implemented.
- National Identity Card (NID) Verification System Introduced for avoiding duplicated NID use in Customer Account Opening.
- Two Factor Authentication (2FA), SMS, E-mail alerts for Credit card transactions.
- Anti-Skimming devices have installed in all UCB ATM for protecting Card Counterfeit.
- EMV standard solution (Chip Based) have been implemented that can reduce optimum level
  of card fraudulent activities (Skimming, Duplicate card, etc).
- Duel control mechanism: Bank has introduced maker checker roles in FCUBS & card management software which results internal user cannot process any CBS and credit card related tasks by one person.
- Real Time Automated Fraud Management Solution: IT has the capability to monitor fraudulent transaction based on defined rules. This solution can identify and manage risks properly.

- Call Centre Solution has been implemented as a result: Customers who are calling UCB call
  center for any emergency help (card activation, deactivation, lost, transactions details etc)
  will be served accordingly which helps to reduce risk and improve customer services.
- Human Resource Management Information System (HRMIS) Solution has been implemented.
   So to maintain and control HR related issues faster and accurately (Employee screening, recruitment, promotions, benefits, retirement, etc) which also reduce the employee risks.
- Optimization of CORE Banking Software and Database.
- ICT Risks Management Policy, Process up gradation as per the latest Bangladesh Bank ICT guideline. It can reduce Regularity & Compliance related risks.
- Improvement in ICT Awareness Risk: ITD has continuously conducting ICT awareness related training for employee which are aligned with Learning and Development Center.

#### 2.10.55 Internal Audit

The Bank has established an independent internal audit function for conducting risk based internal audit on various business and operation areas of the Bank on continuous basis.

#### 2.10.56 General

## Functional and presentation currency

The financial statements are presented in Bangladeshi Taka, which is the Bank's functional currency. Financial information's has been rounded to the nearest Taka.

## Comparative information

Comparative information in respect of the previous year has been presented from the audited financial statements for the year ended 31 December 2020. Figures of previous year have been rearranged whenever necessary to confirm the current year/period presentation.

#### Reporting period

These financial statements cover the period from 1 January 2021 to 31 December 2021.

## Approval of financial statements

The financial statements have been approved by the Board of Directors of the bank in its meeting held on March 30, 2022.
